

# Conferencia Maurice Owen / Russell Richards

Título: "Convergence. Kikit VisuoSonic Performance/Lecture"

Ponente: Maurice Owen – Russell Richards (Southampton Solent University England)

Fecha: 13 de Marzo de 2008

Resumen:

Kikit VisuoSonic utiliza la interacción de sonido-imagen en tiempo-real para crear "inmersive environments" donde galería de arte, sala de conciertos, teatro y cine coexisten en un mismo espacio. En 2007, Russel Richard and Maurice Owen fueron invitados a presentar su investigación en conferencias-performances in Australia, Bélgica, Canadá y España y a organizar talleres con estudiantes en la Universidad de Brighton, en el Centro de Artes Visuales de Sainsbury en la Universidad de East Anglia.
