Volume 1, Issue 1

Cambridge Alcoy

Centre ES392 Alicante/

Exam Information

The new venue for Cambridge exams will hold its first exams in May and June this year.

Students will be able to enrol for the lower main suite exams KET and PET and also the Business English Exams (BEC) at all levels.

Enrolment/registration will take place in EPSA in February and March, in the Ferrandiz Building (3rd floor International Department.)

Information about the exams can be found at www.cambridgeesol.org/spain. The local contact is Stefan Fura on 96 559 2396.

This is a great opportunity for Alcoy and the surrounding area. Students will no longer have to travel to Alicante or Valencia to take these exams. Please encourage students to enrol, and help the new venue become a success.

It is hoped that the University in Alcoy will offer credits on passing the exams, which will be of interest to academies with university students.

Young Learners Exams

Cambridge also has exams for children aged 7 to 12. However, these exams are held on the premises of schools and colleges.
