

## DOCUMENTATION NECESSARY TO CARRY OUT THE DEGREE END WORK END OF MASTER'S THERAPY OUTSIDE THE UPV IN NON-CSIC CENTERS

All students who complete the TFG or TFM at an institution outside the UPV do not CSIC, must prepare the following documentation:

1. Complete the supporting report and the collaboration agreement (Ebron model) with \_\_\_\_\_ the **digital signature of the company/institution** where the TFG/TFM is going to be taken. In the case of a research institute, the agreement must be signed by the person who represents it (Director of the Institute). Said agreement must also include the names of the members of the Monitoring Commission, which may be made up, on the part of the UPV, of the tutor of the UPV and, on the part of the company/institution, of the tutor of the company/institution. . 2.

Once completed and signed, the documents must be sent to the address [etsiamn\\_d@upvnet.upv.es](mailto:etsiamn_d@upvnet.upv.es) and the necessary signatures will be processed. Once signed, it will be sent to the student by mail.

**The student must attach the collaboration agreement (Ebron model) signed as an annex** along with the rest of the documentation (report, summary...) to the Ebron platform once the defense is requested.
