

INFORMATION FOR INTERNATIONAL STUDENTS & PARTNER UNIVERSITIES

HEILBRONN UNIVERSITY OF APPLIED SCIENCES

HEILBRONN UNIVERSITY OF APPLIED SCIENCES

Heilbronn University offers study programmes in Engineering, Business and Informatics and is located in one of Germany's most dynamic areas. It is one of the most powerful economic and commercial regions and close to the metropolitan cities and cultural centers such as Stuttgart, Mannheim and Heidelberg. The university, known for its commitment to teaching, learning and research, has campuses located across the Neckar region in Heilbronn, Künzelsau and Schwäbisch Hall. Heilbronn University is very well connected and linked to many reputable international universities all around the world, so students can also gain intercultural experience and at the same time improve their language skills.

The university's International Office provides help and advice to students having educational and/or personal questions. Each faculty also offers academic coordinators in order to advise students on international study programmes.
